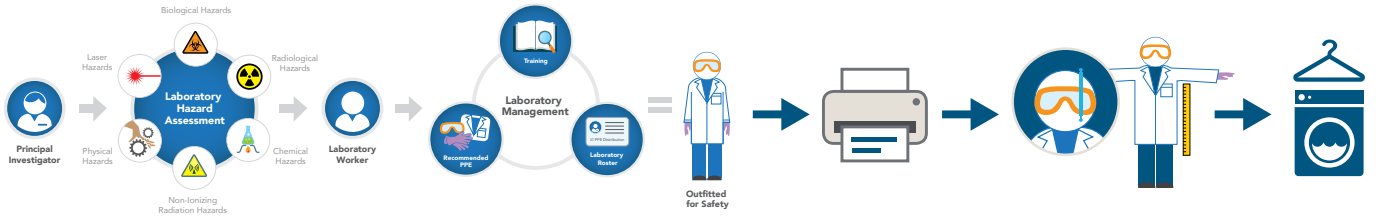
UC Davis' 4-Step PPE Process

The following four steps are to be completed when
1) A new laboratory worker starts, and/or
2) Hazards or processes change



Access your online LHAT at https://ehs.ucop.edu/lhat/

Print Voucher

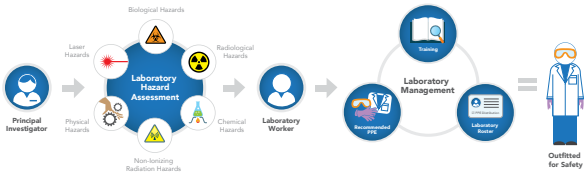
Go to Vet Med Central Services to get fitted and obtain your PPE

Get lab coats cleaned

1 Principal Investigators (PI)

Use the Laboratory Hazard Assessment Tool (LHAT) to:

- Create lab groups
- Assess workplace hazards to determine PPE to be used
- Invite lab staff and approve lab worker association
- *Assign a delegate or designee to perform these actions (optional)*



☑ *Documented in LHAT*

2 Lab Worker

Use LHAT to:

- Identify with a lab group
- Review hazard assessment
- Complete the Outfit for Safety Training and quiz
- Print a PPE voucher
- Go to Step 3

Watch Video | **Read** | **Take Quiz** | **Print Voucher**

☑ *Documented in LHAT*

3 Fitting and Distribution

- Take PPE voucher to Veterinary Medicine Central Services
- **Questions?** Contact VMCS at vmcs@ucdavis.edu

4 PPE Maintenance

Researcher uses departmental program in place to maintain PPE.

Departments are responsible for establishing pickup locations with PPE laundry service provider.
