Mission and Vision

Safety Services Vision
Promoting an authentic culture of safety and stewardship.

Mission
We advance the safest possible campus community in support of teaching and research by:

- Promoting individual and organizational responsibility for the protection of people, animals, resources, and the environment
- Pro-actively managing emergency preparation and business/academic continuity
- Initiating and supporting safety-oriented policies, procedures, and processes
- Fostering collaboration and partnership
- Advocating risk awareness, prevention strategies, and financial recovery
- Facilitating regulatory compliance
- Providing occupational health and injury care
- Delivering effective training programs
- Embracing continuous improvement
