Fire Prevention SafetyNets

Fire Prevention Services maintains a series of individual informational bulletins regarding fire and life safety on campus. These bulletins are updated routinely.

- **BUILDING INSPECTIONS**
- **BUILDING INTERIOR/EXTERIOR FIRE SAFETY**
- **CONSTRUCTION AND REMODEL**
- **EMERGENCY EVACUATION PROCEDURES**
- **FIRE APPARATUS AND PROTECTION SYSTEMS**
- **FIRE EXTINGUISHERS**
- **PERMIT APPLICATIONS**
- **PLAN REVIEW**
- **SPECIAL EVENTS**
- **ONLINE FORMS**

Building Inspections

- [Construction Inspection Checklist (Fire Permit Card)](https://safetyservices.ucdavis.edu) [1]
- [Airport Inspection Checklist](https://safetyservices.ucdavis.edu) [2]
- [Airport Inspection Guidelines](https://safetyservices.ucdavis.edu) [3]
- [Emergency Evacuation Signs](https://safetyservices.ucdavis.edu) [4]
- [Fire Protection System Shutdown Request Guideline](https://safetyservices.ucdavis.edu) [5]
- [Fire Protection System Shutdown Request](https://safetyservices.ucdavis.edu) [6]
- [Firewatch Guidelines](https://safetyservices.ucdavis.edu) [7]
- [Self Inspection Checklist](https://safetyservices.ucdavis.edu) [8]
- [Housekeeping](https://safetyservices.ucdavis.edu) [9]

Building Interior/Exterior Fire Safety

- [Candle and Open Flame Guidelines](https://safetyservices.ucdavis.edu) [10]
• Compressed Gas Cylinders [11]
• Corridor Storage Guidelines [12]
• Corridor Storage Spreadsheet [13]
• Electrical Safety [14]
• Fire Door Regulations [15]
• Emergency Evacuation Signs [4]
• Flammable and Combustible Liquids [16]
• Laboratory Maximum Occupant Load [17]
• Portable Space Heater Guidelines [18]
• Recycling Container Guidelines [19]
• Solvent Purification [20]
• Venting Flammable Storage Cabinets [21]
• Using Heating Devices in Labs [22]
• UCSC Hotplate Study [23]
• Flammable Liquid Storage [24]
• Flammable Liquid Storage FAQ [25]

Construction and Remodel

• Construction Inspection Checklist (Fire Permit Card) [1]
• Fire Hydrant Placement Standards [26]
• Fire Protection System Shutdown Request [6]
• Fire Protection System Shutdown Request Guideline [5]
• Knox Box Procedures [27]
• Welding Brazing Cutting Guidelines [28]
• Hazardous Conditions (HOTWORK) Permit Guidelines [29]
• Temporary Use Permit- Construction Site [30]
• Facilities Hotwork Procedures [31]

Emergency Evacuation

• Emergency Evacuation of Disabled Persons [32]
• Emergency Evacuation Signs [4]

Fire Apparatus and Protection Systems

• Fire Department Access [33]
• Sprinkler Riser Diagram [34]
• **Water Supply Apparatus Painting** [35]

**Fire Extinguishers**

• **Fire Extinguisher Inspection Procedures** [36]
• **Form to Report Missing or Damaged Fire Extinguisher** [37]
• **Operating Portable Fire Extinguishers** [38]
• **Procedure for Reporting Missing Fire Extinguisher** [39]
• **Requesting a Fire Extinguisher Property Loan** [40]
• **Requesting a new Fire Extinguisher or Fire Extinguisher Training** [41]

**Permits**

• **Construction Inspection Checklist (Fire Permit Card)** [1]
• **Fire Protection System Shutdown Request** [6]
• **Fire Protection System Shutdown Request Guideline** [5]
• **Hazardous Conditions (HOTWORK) Permit Guidelines** [29]
• **Welding Brazing Cutting Guidelines** [28]
• **Candle and Open Flame Guidelines** [10]

**Plan Review**

• **Fire Alarm Submittal Checklist** [42]
• **Fire Alarm Submittal Requirements** [43]
• **Fire Sprinkler Submittal Checklist** [44]
• **Fire Sprinkler Submittal Requirements** [45]
• **Fire Clearance** [46]
• **Plan Review Checksheet** [47]
• **Plan Review Transmittal** [48]
• **Submittal Process** [49]

**Special Events**

• **Agricultural Burning Guidelines** [50]
• **Barbecue Guidelines** [51]
• **Tent Requirements** [52]
• **Candle and Open Flame Guidelines** [10]
• **Food Booth/Vendor Regulations and Agreement** [53]
