FINANCIAL WELL-BEING SERIES

Build your financial fitness with workshops on credit, car buying, and home buying.

Tuesday, April 9
Knowing your numbers and keeping score
Your credit score is used as a means to qualify or deny you credit, lending, and even job opportunities. Interested in maintaining good credit? Join us to learn about your credit score and how to protect it.
*Class Location: Emergency Operations Center (next to Transportation Services and Center for Advocacy, Resources and Education (CARE))*

Friday, April 19
Become an auto buying aficionado
Buying a car can be fun! If you’re in the market for a vehicle, join us and listen to one of our auto experts discuss all the opportunities that will help you make the right decisions.
*Class Location: 130 Hoagland Hall*

Tuesday, April 23
Get moving into a home of your own
A home is the largest investment most of us will ever make. Attend this workshop and learn how to position yourself for success in a mortgage.
